Nitz continues his stay with the College of Medicine

Stephen Nitz, MD, '99, has decided to practice as a family physician at the Primary Care Clinic at Mt. Morris, continuing his stay with the College of Medicine.

Nitz graduated from the College of Medicine and completed his residency in the College of Medicine's

Family Practice Residency Program.

Now board certified, Nitz went through medical school in the Rural Medical Education program and received over two years of ambulatory care experience while working as a primary care provider at the Mt. Morris clinic. He has received special training in many areas, including advanced cardiac life support, neonatal resuscitation, advanced trauma life support, obstetrics and colposcopy. He is a captain in the Army Reserve, working as an emergency department physician.

Nitz was a member of the Wheaton College football team while completing his undergraduate degree in Wheaton, Ill., and served as a football coach and athletic trainer at Rockford Christian School.

Nitz was recently deployed to Iraq to work in a 300-bed combat support hospital.
