- Boone County
Joining Forces

- Ogle County Health Dept. and UIC
- DeKalb County Health Department – Zero Waste Task Force
Population Health

- Stevenson County:
  - Third Ward Healthy Neighborhoods Project

The Project focuses geographically on the Third Ward—a voting district in the City of Freeport that includes a collection of neighborhoods in and near the Downtown riverfront, which share many of the same neighborhood challenges as well as opportunities.
Outreach

- Jo Daviess County HD
  - Health Summit
  - Earth Day outreach and celebrations

- Boone County
  - “Body Smart”
Increasing Capacity

- Whiteside County Health Department - added HRSA federally funded Community Health Clinic (CHC) in 2006.
- In 2013, the clinic served nearly 13,000 unduplicated patients at 15,466 medical visits, 11,655 dental visits, and 8,504 behavioral health visits.
- “Being a part of the Whiteside County Health Department allows for one-stop-shopping and integrated care for the Whiteside County Community Health Clinic patient”
Increasing Capacity (cont.)

- Boone County HD
  - Began STI clinic in Feb 2014

- Lee County
  - CDC Public Health Associate
Thank You!!!
